## **MAINE LOBSTERBAKE At Bill Foster's "Downeast Lobsterbake"**

**Saturday, June 28, 2008**

We'll depart at 7:30 a.m. from the Shaw Building's parking lot onboard a luxury Silver Fox Coach (56-seater, complete with restroom). We'll first visit Nubble Lighthouse (see 1<sup>st</sup> picture) where we'll take in the fresh salt air from the Atlantic Ocean, followed by a visit to the quaint village of York.

Then we'll travel to the Maine Lobsterbake at Bill Foster's. A "Downeast Lobsterbake" consists of plenty of delicious clam chowder, fresh steamed mussels, corn-on-the-cob, Maine potato, and blueberry cake with loads of fresh lobster (also chicken or vegetarian if you prefer). Bill Foster's also provides live musical entertainment and a gift shop is available too.

Next we'll travel up the coast to Ogunquit where we'll be dropped off at the beginning of the Marginal Way (see 2<sup>nd</sup> picture), which is a 1 ¼ mile paved walk alongside the spectacular rocky coast of Maine. The Marginal Way ends in Perkins' Cove (see page 2 picture), where there is a working boat harbor with the only footbridge in New England! There's plenty of quaint shops and sights! Grab an ice cream cone or sit alongside Perkins Cove at Barnacle Billy's with a cold drink. Expected arrival home is early evening (about 6:30 p.m.) after a pleasant Downeast Day.

Tour Cost: **\$59.00** per person (**\$49.00** for children ages 5-12). Children under 5 should be seated on the adult's lap. Checks should be made payable to "**Fox Tours**." Wear comfortable walking shoes or sneakers. Bring jacket for sea breezes, and definitely bring your camera!
